Ground Square

Like My Children! It is only 27 days until the big Christmas Tree in the Park will be turned on. That is the night before Christmas at 7:00 o'clock when the big City Fire Truck brings Santa and all the good things for good little girls and boys.

Suzanne Reed is the new addition to Hopper's Jewelry Store, arriving from Madison, Wisconsin, three weeks ago. While the Reeds' new home, (the old Ladd place on Mariposa), is being made ready, she is staying with her uncle, Francis Eckman.

Fr. Leo Scheibel in commenting on city development said the increase in population was very noticeable in his Parish. Since 1941 the St. Rita's Parish had doubled in numbers, a conservative statement.

The exhibition of local art at Saint Rita's School, and Sierra Madre Grammar School, will close at the end of this month.

Nine members of the American Legion put in a good workout on the "Dug Out" in the basement of the City Hall Sunday with a breakfast at 10. A startling change is noted in the appearance of the hall.

We notice by the Do You Recall column that in 1927, when home talent plays were all the rage, a play couldn't be a success without at least one of the Buchans in it.

If you see a Fireman waving a green ticket your way, don't hold your breath it is only the 27th Annual Christmas Dance which will provide the funds for the Fireman's Christmas Festival (The big Christmas Tree in the Park with Santa Claus).

The fire alarm Tuesday was not too exciting. It was a case of a pile of tree trimmings, a small boy, a match at the rear of 600 East Sierra Madre Blvd.

Richard Jensen a well-known gentleman in Sierra Madre for many years checked out of the Sierra Madre Hotel Tuesday and has gone to Ontario to make his home to be near his son, pastor of the First Baptist Church.

It is understood that the estate of City treasurer Carl Pegler has been sold. Mr. Pegler lives at 415 East Orange Grove on a nine acre lemon ranch. The sale was reported as of \$65,000.

MISS SUSAN MESSICK of 281 Ramona, recently elected Junior Red Cross president of the Pasadena Area which includes South Pasadena, Altadena, North Arcadia and Sierra Madre. Miss Messick the daughter of Mr. and Mrs. H. H. Messick was president of the Wilson Junior High Red Cross last year.

STUDIES AVAILABLE \$55,000 GAS TAX REVENUE FOR STREET USAGE HERE

The Sierra Madre Chamber of Commerce met Monday evening in the City Hall with a splendid turnout and everyone in the mood to take up projects that fall in the lap of such a body.

The first situation brought to the attention of the Chamber was the amount of gas tax money allocated to Sierra Madre from the State to be used for street maintenance and improvement. J. Caden Jenkins, 250 E. Grandview submitted data stating that to June, 1946, there had been apportioned to Sierra Madre a total of \$78,792.45 of which the city had expended from state highway money \$19,951.94 and major city street money, 14,899.07 making a total of \$34,851.01. It being apparent that Sierra Madre has available in round figures \$44,000.00 for street improvement. Also it was brought out by a letter from Road Commissioner O. F. Cooley that there is a credit balance of gas tax money available to the city of \$11,000.00 from the county fund, making a total of \$55,000.00.

It was suggested that probably the city was planning not

to use the money until after the sewers were laid and the streets would not need to be torn up again. President Noren Eaton appointed a committee of Thomas Schwartz, Paul Carter and Mr. Jenkins to make a study of the situation, make recommendations and report back to the Chamber in two weeks at the December 8th meeting. It was estimated during the evening that the money available to Sierra Madre would be sufficient to surface 16 miles of city paving, exclusive of grading. Also it was intimated that cities not using the allocation within a reasonable time might be denied the opportunity.

The thrilling moment of the evening was the presentation by Wm. Estes, Chairman of Christ-

TOO... EFFICIENT

Last Friday Mrs. Anne E. Cotter, secretary at the R. A. Hawks Company on East Montecito, spied police officer Bill Chuann marking tires in front of the plant. Being an efficient young woman and having the employees' interests at heart, Mrs. Cotter announced over the public address system that the police department was marking tires to catch overtime parking offenders. There ensued a mass exodus from the plant as cars were moved. Unfortunately, in the excitement she forgot her own car.

Mrs. Cotter will appear before the local tribunal this week for sentence. Grateful employees are taking up a collection to bail her out.

FIRST VIEW OF '48 FLOAT SHOWN COMMITTEE MONDAY

The first eyes to see the model painting of Sierra Madre's New Year's float were those of a group summoned to the City Hall by Mayor Steinberger Monday evening when Alfred Dewey, designer of the float, presented the model to an enthusiastic gathering of organizational heads.

The model of the Sierra Madre theme "Pony Express" enabled the group to visualize the coloring, balance and spirit of the float which will soon be under construction. Everyone left the meeting ready to take off his coat and go to work to help Mr. Dewey and Mayor Steinberger to realize the completion of what promises to be the greatest piece ever created by the city.

The float, 34x24ft. with 13 1/2 ft. height will be gorgeous in colors of the West. Specifications call for chrysanthemums of varied colors, corn flowers, heather, yucca and cactus. It is estimated that it will take 2000 flowers per lineal foot. Present at the Monday evening

meeting from the Woman's club was Mrs. Ora Olsen; Girl Scouts, Mrs. M. D. MacAuley; V. F. W. Commander Henry Nuetzel; PTA, Mrs. Robert Summers; Civiv Club, Thomas Wynne, San Gabriel Jewish Center, Naoma Green; Kiwanis Club, Robert Green; VFW Auxiliary, Dorothy Kennedy; Chamber of Commerce, Noren Eaton; Masonic Lodge, John C. Mead; American Legion Auxiliary, Rose Galkin.

RECOVERING IN BAY CITY FROM OPTICAL SURGERY

Mrs. N. W. Tarr, 274 West Montecito, has been in San Francisco for the past two weeks with her husband who underwent eye surgery there. Reports are that he is out of the hospital and getting along nicely. They are staying at the Canterbury Hotel while he takes final treatments, and will return together after Thanksgiving.

EASTERN STAR OFFICERS-ELECT TO BE INSTALLED MONDAY EVENING IN THIRTY-SIXTH ANNUAL EVENT

Invitations have been issued for the Sierra Madre installation of the 1948 Eastern Star officers. This 36th installation will be held at the Masonic Temple Monday evening December 1st at 8 o'clock in an open meeting. Installing officers will be Olive Fowler, past deputy grand matron of the district and past matron of local chapter No. 299; Nell Schrader Deputy grand matron of 82nd district (member of the Arcadia Chapter); Harold Roberts, past patron; Elsie Eaker, worthy Matron; Thomas Henderson, Worthy Patron; installing marshall, Lois Eaker; installing chaplain, Harriet Cox and installing organist, Leila Embree. Association of Property Owners to Hold Forum In City Hall Tuesday Evening

John H. Osgood, newly elected president of the Property Owners' Association (formerly inaugurated as the Taxpayers Association) has called a meeting for Monday, December 2nd in the Council Chambers of the City Hall at 8 p. m. Talk according to the Association among both home and business property owners in Sierra Madre is about the sewer line. Activities in Arcadia indicate that it will not be long before the workmen are digging in Sierra Madre streets. The Association plans to discuss every phase of the sewer question.

They have heard that the State has paid money to bring the pipe up the hill—that a

small cost also is borne by the taxpayers of the city directly. The Property Owners' Association say they want to know how far this brings the pipe, and what is to be done thereafter?

Will Sierra Madre be divided into sanitation districts? Will the cost to the city be handled by bond issue, put to the vote of the people, or by some Enabling Act?

What about the water? Does the City of Sierra Madre have sufficient good mountain water to flush the pipes?

In the event that all of the residents of the city do not want to join the sewer installation at this time, what about

Noted Guest Speaker At Kiwanis Tues.

Professor James L. Ding, of the Foo Chow University, and Secretary of Education in Fukien, in China, and also of Columbia University, was the guest of Dr. Earl Gossard at the Kiwanis meeting at the Woman's Club, Tuesday noon. His subject was "Present conditions in China and their world influence especially regarding Soviet Russian and American relations in China."

Some highlights of the talk was that the Chinese, living in the central kingdom, who call themselves the "Center of the World," will continue in spite

THREE MEMBERS INITIATED AT LIONS DINNER

The Lions Club did not meet Thursday evening due to Thanksgiving. The next meeting December 4, will be purely business, and as important events of the year are to be discussed, it is desired that all members be present.

At last week's meeting, three new members were initiated; Arthur Tice, Ralph Pierce, and Leo Gillette. Don Jackson spoke on the National Guard.

Ralph Welch and Harold Hamm, attended a zone meeting for presidents and secretaries only, in Arcadia Tuesday evening.

Zoning Ordinance Returned to City Planning Board

Local Spokesman Makes Claim Business Section Suffers by Poor Zoning

The City Council had a busy session Tuesday evening with quite an audience interested in the various important questions facing a city with "growing pains," chief of which, of course, being those touching their pocket books.

Many were interested in the proposed new zoning ordinance but discussion of that subject was made unnecessary by Councilman Don Jackson who stated that the Council is aware that some of the objections to that document are pertinent and the Council is in sympathy with same and he therefore moved that the second reading be set aside and that the document be referred back to the Planning Commission for further study and requested interested

protestants to submit their suggestions in writing. It was stated that the next meeting of the Planning Commission will be held in the Council Chamber, Thursday evening, December 18, which is open to the public and interested persons may be present and submit their recommendations.

Next in interest was the discussion of the condition of our city streets. J. Caden Jenkins brought up the matter of securing state and county funds for grading, paving and resurfacing streets, stating that approximately \$60,000 is available and he asked why that money is not being used for that purpose. If these funds are not soon utilized, he said, the offer may be withdrawn and the funds revert to the state for Freeways, in which case instead of having sufficient funds, for resurfacing 16 miles of our streets at no expense, the taxpayers may have to dig down in their jeans and pay it themselves.

Mayor Steinberger stated that the Council is well aware of the money available but that it did not seem good judgment to pave the streets and have them torn up within a few months for sewers. He stated to the NEWS that City Engineer Hurley has been instructed to ascertain the exact amount of money appropriated for our city and prepare an estimate of the costs so that work may be started in the immediate future in certain streets and that it is not the intention to take any chances of losing State and County financial aid.

Councilman Froehlich explained that no extensive expenditures could be made on the streets during the war years. Appreciation was expressed to Mr. Jenkins for his interest and suggestions. Announcement was made by City Engineer Hurley that trunk line sewers will be laid from Orange Grove to Highland on Baldwin, and on Sierra Madre Blvd. from Double Drive to Lima by March 12.

Mrs. May Wright brought out the point that probably 50 people are renting single rooms in R1 homes which is a technical violation of the present zoning

Captain Sanford M. Ullman reports the addition of the following men to the Sierra Madre Cannon Company of the 233 Inf. Regiment, National Guard; James M. Vernon 411 Sturtevant Drive (9th Air Force in Germany); Gerald Marshall DeMars 101 S. Lima (US Navy in Hawaii, Baker 3-c); Walter Reed, 238 N. Auburn, (Cpl. in 316 Bomb Wing); John S. Wolcott, 476 Sturtevant Drive, (Sgt. with 12th Airdrome Sqn., Philippines); Arthur M. Ford, Jr., 1876 El Sereno, Pasadena, (Sgt., 14th Inf. Div., Europe); Robert Marshall, 587 Prospect Blvd., Pasadena, (Cpl. 6th Army).

The local Unit of the National Guard now meets the requirements of the Federal as well as the State of California and the company is assured for Sierra Madre.

During the week of December 8th, Col. I. T. Foster, stationed at the Los Angeles Army will be in Sierra Madre to inspect facilities available for the local unit.

CAMPUS LEADERS AT BETHANY

Three outstanding Southland Campus leaders will be at Bethany Church Sunday evening in a special meeting for young people. The trio includes Bill Bright, Jack Frank and Louie Evans. The latter is the son of Dr. Louie Evans, pastor of the Hollywood Presbyterian Church, the largest Presbyterian church in the world.

of all uncertainty. While America's watchword is efficiency, the watchword of China is persistence.

Dr. Ding cautioned the people not to look at China's situation through a microscope, but through a telescope, and see

China as a whole rather than magnify its faults. China was the first to fight against Fascism. Manchuria, the gateway to China, is an area adjacent to Russia, and must be saved at any cost, and it must be a joint task of China and the United States. The issue is not Communism Vs. Democracy, but rather a fight between free society and police.

The turmoil in China today has international complications, and Generalissimo Chiang is evaluating his play as to its effect on the future history of China.

mas Decorating, of the attractive sketch made by A. L. Suman of the proposed transformation of the Pacific Electric Station for the Yuletide season. It will be made into a quaint scene with white fences, Christmas tree and big red chimney. Sunday, December 7th has been set for a "Bee" to make over the square. Mr. Estes will be in charge with Mr. Suman on hand for artistic advice. Harold Spears has offered to put up the fences and the big chimney; Mrs. Milton Steinberger was appointed by Judge Eaton to procure and see that the proper Christmas Tree was set inside the fence. Campfire Girls will make the windows quaint. The Pacific Electric Company has offered to co-operate in every way. They will remove the signs from the building and allow the transformation to take place.

HARRY WOODRUFF IMPRESSED BY MUTE EVIDENCE OF NAZI TERROR; APPRAISES LOOT IN FRANKFORT

Written by Harry Woodruff of Washington, D. C.

Editor's note—Last week the NEWS reported that Mr. Harry Woodruff had returned to Washington, D. C., following a fortnight of rest in his former home city. Mr. Woodruff promised to write a resume of his experience in Germany recently when he was summoned there by the International Refugee Organization as an appraiser of gems. The letter follows:

The story written in the loot of diamonds, precious stones, gold, silver and platinum that I was called upon as the official gemologist appraiser for the International Refugee Organization to appraise is one of the most tragic in all history. My approach to the assignment was from a purely humanitarian standpoint, realizing the desperate condition of all the thousands of displaced persons who are looking to the U. S. A. for relief and rehabilitation. The fact that it was necessary for me to work at the Reichsbank in Frankfurt, A. M., a city that is 75 per cent destroyed, was very depressing with its population underclothed, underfed and with no employment, forced to pilfer to keep going. There is a large sign in front of the Carlton hotel (one of the two left standing) that reads "Don't leave valuables in your car."

Our committee was attached to the Finance Division of Ambus Rear which is the military government of Germany.

Our headquarters were in the Reichsbank, now called the Foreign Exchange Depository. We occupied the room which contained a large walnut table on which we spread the loot as it was brought up to us from the vaults below. The appraisal was made under the watchful eyes of the U. S. Army, our Major, our Captain and our staff Sergeant under orders from Col. Wm. G. Brey, Chief of the Foreign Exchange Depository. Our first introduction to the loot was some metal boxes which probably originally contained 50 caliber ammunition and were about 30 inches long, 20 inches wide by 16 inches deep, filled with gold articles of all description, one of which contained gold and platinum dental bridges and crowns, some of which still contained the blood-stained teeth evidently removed from the head of a living victim. Later on, we received more boxes of the same material. It was our job to ascertain the fineness and the weight of this material and evaluate at the current market price.

Later on, I was detailed to supervise the smelting and refining of some of this metal into fine gold, silver and platinum bars ready for shipment to the U. S. A. Some of this gold jewelry and dental gold had already been melted by the Nazis into crude bars. As the picture continues to unfold, boxes of personal jewelry of every description, pitiable treasures rifled from dead and living victims of Nazi spite and hate, were presented for appraisal, upwards of one million wedding rings from the fingers of Hitler's victims. The thoroughness with which this looting was carried out can be had when we were asked to look at sets of watchmakers' tools, dental instruments, leather wallets, cameras and even glass cutters that contained very small diamonds.

Diamond jewelry of every description from antiques over 150 years old, set with rose-cut diamonds mounted in silver, to modern pieces containing fine quality stones weighing 10 to 15 carats, also many papers of loose stones, all sizes and all qualities. A large portion of these pieces carried colored stones in combination with diamonds. Most of these pieces had to be broken up, the stones removed, marked and cleaned, then classified as to size and color and papered for the market and the gold and platinum content retained for smelting and refining. Box after box of sterling silver of every description were brought forth, some with exquisite examples of engraving executed on cigarette cases and vanity boxes, also some very old

pill boxes, real antiques, scrolls and altar pieces taken from Jewish Synagogues, also some of the silver embroidery vestments belonging to Jewish Rabbis.

Thousands of watches of every description from diamond-set platinum wrist watches, solid gold cases with fine movements to the very cheapest models in pocket watches, even Ingelsoll and Mickey Mouse \$1.00 models. These confiscations, including gold, silver, platinum, diamonds and precious stones, are known as non-monetary gold and run into millions of dollars.

On September 5, 1947, this property was formally turned over by Col. Wm. C. Brey, Chief of the Foreign Exchange Depository Commission of the Preparatory Commission of the International Refugee Organization. Proceeds from the sale of this property will be used to resettle and maintain some 200,000 displaced persons while 6,000,000 of their brethren, Jews and non-Jews from Germany, Austria and other German occupied countries were murdered.

This is the first in a series of donations of non-monetary gold held by United States, Great Britain and France. According to the Reparations Agreement of the 18 Allies in 1945 and the five powers Paris conference of 1946, other nations are expected to follow our example.

Before leaving Germany, it was my privilege to view the stock pile of some \$330,000,000 of gold bars and minted coin held in the Reichsbank, also a collection of marvelous jewels, which, no doubt, will some day be returned to their previous owners, but now held by the U. S. Government.

ZONING ORDINANCE

(Continued from page 1)

by larger cities to do their trading, with a consequent loss in revenue to the city of income and taxes.

The zoning ordinance should be overhauled, he said, and land be made available for additional businesses.

A communication from the Kiwanis Club stated that \$2,232.64 had been expended from the Community Fund for the Youth Hut and also the sum of \$931.07 was given by Kiwanis making a total of \$3,163.71.

City Engineer Hurley was requested to provide a speaker for the Property Owners' Association meeting next Tuesday evening, qualified to discuss taxes and sewerage.

James Brown was elected a member of the Auxiliary Fire Dept. to fill vacancy.

A second reading was given the new Electrical Ordinance, adopting the Uniform Electrical Code, 1947 edition. The Ordinance is being published in full in this issue of the NEWS.

The City Engineer was instructed to proceed with a survey and the preparation of a Master plan showing streets in new subdivisions, to prevent people from constructing houses where no streets go through.

SHORT DELAYS MAY OCCUR IN RETURN OF WAR DECEASED

It is understood that several Sierra Madre families are expecting to arrive from overseas. In such an event the family will be definitely notified by the Mira Loma Quartermaster Army Depot. There may be short operational delays occurring between the time the ship docks and the time the next of kin receive the remains. This lapse of time may be as great as three weeks, though probably averaging out somewhat less than that. Factors which will influence this situation include the distance from the port of arrival and the number of rail transfers.

It is emphasized that the next of kin will receive information, by means of two telegrams from the Distribution Center, regarding final delivery of the remains home. The first of these telegrams will be dispatched from Mira Loma at the time the remains arrive at the port of arrival at New York or San Francisco, and the other telegram will be sent just prior to the time the deceased will be shipped from the Mira Distribution Center. In further explanation, the first telegram is a request for confirmation of interment instructions—the name of the consignee, etc., given by next of kin on the original Government questionnaire. The second telegram, which is delivered direct to the consignee, will advise as to the actual date of arrival home of the decedent.

IN SACRAMENTO FOR STATE BANKERS MEET

A trip to Sacramento last week proved delightful for Mr. and Mrs. R. C. Lewis, 350 Toyon Drive, when Mr. Lewis attended the California Bankers Association meeting. Saturday they drove up the Redwood Highway, and reported the Autumn colors beautiful, and the weather refreshingly crisp and clear.

FIRST MEETING IN 40 YEARS IS REAL THANKSGIVING

The Lessley family experienced a real Thanksgiving reunion yesterday at the home of Mr. and Mrs. S. K. Lessley at 374 West Sierra Madre Blvd., when three brothers and a sister spent the day together for the first time in 40 years. W. C. Lessley of Fullerton, Fred Lessley of Kingfisher, Okla., and Mrs. Fred Lintner of Deadwood, South Dakota.

Among the group from the younger generation present were Mr. and Mrs. E. F. Lessley of Pasadena, Mr. and Mrs. Bob Rock of Los Angeles and Mr. and Mrs. P. H. Goodwin of this city.

CHRISTMAS PUPPET SHOW TO BE GIVEN BY SCOUT GROUP

Girl Scout Troop 6 enjoyed a hike recently up the Sierra Trail with Mrs. Colin Timmons and Mrs. Walter Shanks.

This seventh grade group has been concentrating on two puppet shows to be given at the school December 11 and 12, under the direction of Mrs. C. H. Gerke, and using her puppets. They will present "The First Christmas" and "Miser Claus."

DEMOCRATIC CLUB ELECTS NEW PRES.

Joe Thompson, Hollywood radio producer, spoke to the Sierra Madre Democratic Club on "Un-American Activities Committee, and what It Means to Loyal Americans," when he was guest of their meeting at the Park House last week. The talk followed with an open discussion.

Mrs. John Porter resigned as president, and she is succeeded by Mrs. Art Raphael. Mrs. Amy Harden was elected the new treasurer, as Mrs. Raphael previously held that position.

WYSOCKI FUNERAL AT CATHOLIC CHURCH YESTERDAY

The passing Monday morning of Mrs. Katherine B. Wysocki, 405 Churchill Road, came as a shock to her family and friends, for her illness had been brief. A native of Wabasha, Minnesota, she had lived in Sierra Madre 14 years, with her husband, John J. Wysocki, who survives her. She was a member of St. Rita Church, and the Altar Society.

She leaves three brothers: Dr. Thomas H. Leonard, of Alhambra; Patrick F. Leonard of Miles City, Montana; and Leo Leonard of Hettinger, North Dakota, and a sister, Mrs. Molly Conway, also of Hettinger.

Rosary was held Tuesday night at Grant Chapel and Mass Wednesday morning at St. Rita. Interment was at Calvary Cemetery.

The Dickens Fellowship Club met at the home of Mrs. Fred Whitely, 240 North Sunny-side, last Thursday. Miss Edna Green and Mrs. J. Earl Gossard, continued the readings.

Maytag Company Sets Washer Production Record

When the 51-year-old Maytag Company of Newton, Iowa, produced its five millionth washer recently, the occasion was marked by a special ceremony. Iowa Governor Robert D. Blue and leaders in business, industrial, labor and civic organizations gathered to celebrate the event which set a new record in washer production history.

Tom Smith, head of the research division, which developed the modern Maytag, is shown upper left, autographing the one-piece aluminum tub which has had a large share in building Maytag popularity. Assembly workers are shown below lowering the tub into its enameled steel jacket. At right, Miss Rosanne Morgan, 1947 Maytag Queen, is christening the machine with a bottle of milk. Looking on nearest the camera from left are: W. I. Sparks, secretary of the Maytag Company who has been with the firm forty-nine years; Letha Trent, Miss Morgan's predecessor as Maytag Queen; Roy Bradt, Maytag vice-president in charge of sales and advertising and president of The American Washer and Ironer Association; Verne R. Martin, Maytag sales manager; Fred Maytag II, Iowa State Senator and third generation president of the washer company, and Iowa Governor Blue.

The Maytag Company made its first washer in 1907 and its millionth machine in 1957. Between the four millionth Maytag in 1941 and the five millionth machine, Maytag took three years time out from peacetime production to engage in war work. The five millionth washer is being retained by Maytag as a souvenir.

EXPLORER POST NAMES OFFICERS

New officers were elected by Explorer Scouts Thursday evening at the meeting held in the Youth Hut; Ray Hinkley, Post Guard; Warren Peterson, Post Scribe; and Bill Freeland, Treasurer. The two new assistant Post Advisors are: Ed Blakeman and Louis Spencer.

The previous meeting featured a trip through the U. S. Tire and Rubber Company in Belvedere Gardens, planned by R. E. Garland Jr. and assisted by Gale Hersey. More interesting tours are planned for the winter.

The annual Sea Scout rendezvous over the Thanksgiving holidays will be held at Lake Mead, and Mr. Garland, Chairman Post Commissioner, will accompany Explorers Ed Blakeman, Bill Freeland, Ray Hinkley, Warren Peterson and Dick Price.

Boys 15 and over interested in joining are invited to the meetings at the Youth Hut, Thursday nights at 7:15.

If you're going to drive don't drink.

ELLABARGER RITES HELD WEDNESDAY AT GRANT CHAPEL

Friends here were saddened by the death of Christian Herr Ellabarger, Monday. He was born in Dublin, Indiana, July 11, 1866, and for the past 10 years lived at 518 West Highland. He is survived by a daughter, Juanita Caskey of this city, and two sons: Lincoln of Azusa, and Lannard B. of Pasadena, and four brothers in Indiana.

Services were held at Grant Chapel, Wednesday, with Rev. Carl Smith, officiating. Committal was private at the Pasadena Mausoleum.

TO LIVE IN NEW REDWOOD HOUSE

Mr. and Mrs. Gwynne Allen will be in their new home this week at 682 Alta Vista Drive. The Allens have bought a studio redwood house made in Sierra Madre by the Suman Co. Mr. Allen is a chemist.

THANKSGIVING AND BIRTHDAY SPENT IN CITY WITH MOTHER

Mrs. Mimi Burriss, art advisor in the Howard Furniture Store will entertain Mr. and Mrs. C. Otis Skinner and daughter Annette, of Redondo Beach for Thanksgiving at the La-Bu-Tau dining room. Mrs. Skinner is a daughter of Mrs. Burriss and Thanksgiving will serve as well to celebrate Mrs. Skinner's birthday.

MRS. NELLIE COHEN NEW FELLOWSHIP MEMBER

The Dickens Fellowship Club met at the home of Mrs. Fredrick Whitney, 240 North Sunnyside, last Thursday. Miss Edna Green and Mrs. J. Earl Gossard, continued the reading of "Nicholas Nickleby."

Mrs. Nellie Cohen, Mrs. Whitney's sister, was welcomed as a new member, and they were pleased to have Mrs. W. J. Miller and Miss Hilda Humphries, once more in their midst, after long illnesses.

P. E. OPERATORS COMPETE FOR SAFETY AWARDS

Every one of the 2700 trainmen and bus drivers on Pacific Electric rail and motor coach lines in this neighborhood and throughout Southern California is now entered in a keen competition for a valuable safety award.

Pacific Electric's safety record is among the best in the nation. To better the record still further, every trainman or bus driver who operates for the six months ending December 31 without being responsible for an accident of any kind will receive a beautiful sterling silver tie clasp given by the company.

Furthermore, for every accidentless six-months period after that, a ruby setting will be added to the clasp.

As you board your train or bus next January—when the first awards will be made—look at the PE man's necktie. If you see a silver tie clasp embossed with a circular red medallion and a tiny bus and streetcar, you're riding with a safe operator and a mighty proud employee.

BLUEBIRDS ENTERTAIN MOTHERS AT GOLDBERG HOME WITH TEA

The home of Mrs. Morris Goldberg, 219 North Sunnyside, was the scene of a tea last week for the mothers of the Bluebirds, a Camp Fire group, of which Mrs. Everett Carver is leader, and Mrs. Goldberg, assistant. The seven year olds gave a program of the songs learned at Bluebird meetings, a cake was provided by Mrs. T. R. Stetson, in honor of the birthday of her daughter, Patricia. It was decided not to have a meeting the day before Thanksgiving.

Mothers present were: Mrs. John Rudbach, Mrs. T. R. Stetson, Mrs. Ivan Hart, Mrs. James P. O'Neill, Mrs. Robert E. Imus, Mrs. C. Lauren Maltby and Mrs. Everett Carver.

SIERRA MADRE GROUP AT CAMP BONACCORD

Thirteen Girl Scouts from Troop 8, and 14 from Troop 7, were driven to the top of Chantrey Flats, after school Friday and from there packed in to Camp BonacCORD for the night. Their supervisor and Camp Chairman, was Mrs. Robert Crowell, leaders were Mesdames: William B. Wilcox, George L. Freeman, John Hainey, Dean Dawson, and Jerry Murray.

PARENTS ANNOUNCE MARRIAGE OF DAUGHTER AT KINGMAN, ARIZONA

Mr. and Mrs. Clarence C. Noshier of 265 Mountain Trail announce the marriage of their daughter, Evelyn, to Bradford Cushing at Kingman, Arizona, November 11th. The ceremony was witnessed by close friends, Mr. and Mrs. Chas. Abela of this city, who accompanied the young people.

Mrs. Cushing has lived here all her life, graduated from Wilson and Pasadena City College, and is associated with the Sierra Madre Hardware. Mr. Cushing came to Sierra Madre a year ago from Wollaston, Mass. He is a brother of Mrs. William Estes. The newlyweds plan to make this city their home.

Strange Gift On Way to American Cousin from England

Mrs. Alice Sedgman of this city had a small drug prescription filled for her cousins in England where the particular ingredients were not procurable. The relatives were so grateful for this necessity they endeavored to find a suitable gift for the American cousin. Excerpts from their letter will tell of the obstacles they encountered . . .

"Well, I tried to find something I would be allowed to send and was bewildered that so much was prohibited. At last I consulted the Post Office and they said the only thing would be a book. The postmaster remembered that he was allowed to send half a dozen copies of Country Life with pictures and supplement of Princess Elizabeth's wedding. He had just one left, so I thought you might like to have it. By the way, they are not available to anyone in England only those abroad! Are we in Soviet Russia?"

"They did a lot of harm here with their votes for women and the result is a labor government put in by girl voters much to the Nation's distress. We are bound down by rules and regulations at every turn and old people do not take to it. I think the strenuous years of bombing aged us all."

"We had a present of two newly laid eggs today and we hailed them with delight; we generally have two a fortnight. Think of the time when we thought a dozen eggs a week quite ordinary. We haven't tasted chicken, duck, goose or turkey for years! We never get ham or tongue and the last two weeks no mutton or lamb, only beef. We haven't had suet for months. We have sufficient to eat but it's always the same."

ANOAKIA-WEBB DANCE HELD AT GIRLS' SCHOOL

Anoakia entertained the Webb School for Boys of Claremont at a formal dance at Anoakia Hall, Saturday evening, November 22 at 8:30. It has been a tradition to hold this function at one of the schools each year. This is the year which Anoakia has had the honor of entertaining.

Included among the guests were students from Flintridge Preparatory School.

Miss Deirdre Treacy, daughter of Mrs. Charles L. Gougler, chairman of the student body at Anoakia, has been in charge of arrangements.

The following patrons at Anoakia acted as hosts and hostesses: Mr. and Mrs. Maiton E. Arnett, Mr. and Mrs. Edmund Locke, Mr. and Mrs. Lyman A. Cameron, Mr. and Mrs. William L. Bradway.

Well-Known Guests At Conrad Home on Grandview Avenue

Mr. and Mrs. W. W. Conrad, 161 East Grandview, are happy to have their granddaughter, Mrs. John Rydell, and her two sons, Johnny and Kermit, visiting them. Mrs. Rydell was born here, and is the daughter of Mr. and Mrs. James Hornsdale, who lived here for many years. Mr. Hornsdale has been in the State Legislature and also Senator of Nevada for two terms each.

Mr. Rydell is with the Army Air Force in Japan, and though his family were living in Las Vegas, it is probable they will join him in the Orient.

SCHOOL FRIENDS AT SEVENTH BIRTHDAY

Mr. and Mrs. John Butah gave an at-home-party Monday afternoon honoring the birthday of their son, Jon Dale, at the residence, 618 West Highland Ave. The guests were 18 boys and girls, school friends of Jon's, invited to celebrate in a party planned in circus theme.

BALLING BABY TALK

By MAXINE BALLING

LUCKY PEOPLE. The folks in this country certainly have plenty to be thankful for today. Plenty to eat (even though it's high priced). . . warm places to sleep. . . plenty to wear. When I look around the Balling Baby Shop at all the beautiful, warm, lovely things to wear, I can't help thinking, "How lucky our children are!"

OUTING FLANNEL PAJAMAS for only 1.95, 2.50 and 2.95. Today I don't see them as so many pieces of merchandise stacked there on the shelf. I see them with pink checked boys and girls inside, tucked into warm beds here in Monrovia, Arcadia, and all around our beautiful country. Lucky people!

SWEATERS. Stacks and stacks of them. . . only 2.95 up to 5.95. Any color you want. Any size from infants up to high school. Just about every child has a nice warm sweater, and most girls have considerably more than ONE! Lucky girls.

ALL-WOOL COATS, warm, beautiful, colorful and cute. Some with hoods. Priced from 7.95 for little toddlers' coats, to 14.95, 16.95 and 19.95 for sizes up to 14.

CUDDLE NESTS. . . they're sure nice for little babies these cold nights. They're sort of like sleeping bags, you know, made of pink and blue satin, and waterproofed inside. You slide baby in and he keeps nice and warm, and can't kick off any covers. The Cuddle Nest fits in to the carriage, and also is handy to take out in the car. Only 5.95. Lucky babies!

I'M THANKFUL to be living in a country where it's possible to have a nice little store like this. . . and such nice customers as come into the BALLING BABY SHOP, at 401 1/2 South Myrtle Avenue, Monrovia 5981.

Fresh and sweet as a Spring day Sierra Madre's newest shop opened on the Boulevard Friday. Miss VanAmburgh in a setting of pastel daintiness welcomed countless shoppers and graciously served refreshments in her new "Shower Shop."

POLICE BLOTTER

When a septic tank overflows it's a stinky subject and when the Police refer it to the Health Department, the Police are not to blame too much. . . . And again we have the boys bothering the elderly lady near the school. . . . A car in front of a driveway, brings the offender a ticket. . . . Prowler! . . . After hitting and injuring a dog, a driver drove on, but he does not realize that someone saw him. He is considered a "Hit and Run." . . . Art Udell reported a "dog gone astray." When we thought that we had something on our old friend, we learned that "astray" means "an animal found wandering," so, we thought it would be best not to say too much about it.

Dog bite. . . . Fire! Fire! Fire! . . . Alert citizen reports a fire burning out of hours. . . . Several, fine, fat, feathery hens entered the yard of Mr. and Mrs. Barter of 675 Orange Drive. Where did they come from and whose are they? The longer the beautiful feathery fowls adorned her yard, the more Mrs. Barter wished that they would stay. She had visions of eggs for Thursdays. She also thought of what tasty stew could be made after the hens reached an age where laying eggs no longer interested them. Yum, Yum! She counted them. Ten in all. Imagine ten lovely, large leghorn hens in your yard and wanting to stay. What would YOU do? Well—after much discussion and reasoning, Mr. and Mrs. Barter agreed that they would call the cops. Jim Heasley arrived and because he knew so little about farm life, he was making but little headway at trying to corral the chicks. At this, Mr. Barter bashfully displayed his ability. After showing the policeman just how chickens are caught in the country, his wife showed much surprise at finding out her husband had been a former

farm boy. It was soon to be revealed that the egg factories were the property of their neighbors, just across the street. "Why, Mabel!", ejaculated Mrs. Barter, "I didn't know that you kept chickens," as her neighbor and friend came along to claim the feathered friends.

A truck carrying junk to a dump in another city, lost some of the stuff here. Chief McMillan caught up with the truck and the driver was invited to return and "Gather in the Sheaves." . . . A dog left tied to a tree is taken to the pound. . . . Lost purse. . . . "You can't buck a rock wall," as a driver of a car found out as he failed to make the turn along Vista Circle Drive. His efforts were sufficient to bowl over enough rocks to scatter them all over a roof beneath the point of impact. No one injured, thank all things. . . . Small girl is hit by a car. . . . Boys at dance, conducted at the Park House, fight. It seems that civilization is taking a backward turn.

Fighting during Prohibition was almost a lost offense. It is now "picking up" at a terrific gait. Where is our clean sportsmanship that we so much admire? It is quite noticeable that some of our youth enjoy the braggadocio state of affairs that was so popular years ago. It was that that civilization had taught us better. "I'll stay right here." . . . Gun shots reported could not be traced because folks in the neighborhood did not hear any. . . . Loose horse. . . . A warrant for one of our doctors is sent here to be served. \$3.00 bail will "Get him out." . . . Another driver backed into a gutter. Removed without injury to persons or property. . . . "Man fainted." (Men do that on occasions.) "Just drunk," reported Hi Embree. . . . Ralph Mattice, who drives our street sweeper, was out early in the wee hours and doing his work. Because the sweeper gets full of sweepings, it is only natural that it be emptied. Here and there Ralph will unload small piles of the materials. A lady, who had been cautioned against putting trash in the street before the proper

GIRL SCOUT LEADERS PLAN CALENDAR SALE

The monthly meeting of 25 Girl Scout Leaders, Friday, was at the home of Mrs. John S. Fergus, 154 West Sierra Madre Blvd. They discussed and planned the annual Girl Scout calendar sale. time, discovered one of these piles when she came to the curb to get her morning paper. She was bewildered. Why would anyone do such a thing? She was soon pleased when she learned the reason and that a city truck would follow up. . . . A stray rock, evidently thrown by mountain-climbing youngsters, found its mark by hitting an open bedroom window. Alarming. . . . A "T.C." An auto runs into a pole. No injuries. Once more a lucky break. . . . An orange thrown, broke a window along Mariposa street. . . . It is hoped that we are not to have a series of such.

NEW 1947 SERVEL SAVES MARKETING TIME

A big bushel-size Frozen Food Locker is combined with the finest modern refrigeration for fresh foods in the new 1947 Servel Gas Refrigerator. With it, the homemaker can expect to save hours of marketing time, make every meal more exciting.

For fresh foods, Servel's moist-cold and dry-cold protection maintains crispness in salad greens and garden vegetables, tender-

ness in meats. Big clear glass shelves give extra roominess—adjust to eleven different positions.

Most important, Servel Gas Refrigerator is permanently silent. It has no moving parts in its freezing system. Instead, a tiny gas flame does the work. As 2,000,000 owners know, Servel stays silent, lasts longer. New 1947 Servels are now on display.

Nursery School Parents And Teacher Publish Book

Little more than a year ago, fathers and mothers here founded the foothill region's only community nursery school.

Now they're in the publishing business.

Sales of the book will establish a scholarship fund which it is hoped will assure all children of the community a chance to obtain nursery school training, according to Mrs. Dorothy Tiller, president of the Sierra Madre Community Nursery School Association.

Written by Mrs. Marjorie Green, director of the school, with the assistance of Dr. Eli

zabeth Woods, supervisor of guidance and counseling in the Los Angeles public school system. "A Handbook for Beginning Nursery Schoolteachers" is in final stages of production.

Bernard Wynne, local artist, did the cover design and illustrations for the book, with drawings also contributed by Frances Nugent of Los Angeles.

As a tribute to Dr. Woods who aided in founding the school and who now serves as its educational adviser, the scholarship fund from proceeds from the book's sale will be named for her.

MASS FRIDAY ST. RITA'S FOR S. M. WRITER

Rosary services for Miss Rosalie Curtis, 233 Santa Anita Ct., who died Sunday in a Los Angeles hospital, was held yesterday at 8 p. m. at Grant Chapel. Requiem mass will be read Friday at 9 a. m. at St. Rita's Church.

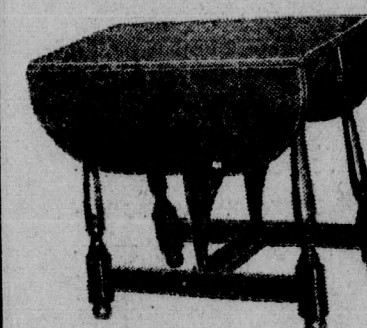

Miss Curtis was born in St. Louis, Mo., and had lived in Sierra Madre 13 years. She is

a former newspaper woman, having been with the Herald-Express of Los Angeles as reporter and in sales promotion work and advertising. She also was a collector of rare books and was active in Red Cross work here several years ago.

Surviving her are her sisters, Mrs. Clara H. Bolms, Sierra Madre and Mrs. F. M. Hartman, St. Louis also nieces Mildred Curtis Bolms of Sierra Madre and Marion Hartman, St. Louis, and nephews Lloyd H. Curtis and Charles David Curtis, both of St. Louis.

FIRE FLAMES

A little rain at this writing is encouraging. It means that the damp earth will eliminate many of the fire hazards that now exist about town, such as dry leaves under bushes, dry woodpiles that are intermixed with fallen leaves from trees, piles of paper and all that sort of material, where a spark can light in its aerial flight. Recent fires prove that this does happen and we KNOW it. Why wait until it occurs in your own vicinity or on your own property before you are convinced? There is no absolute certainty as to the cause of all fires other than that they start amid combustible materials. Evidence sometimes points at different reasons, but when a faulty incinerator is in the region, we realize that a fire could have started from a stray spark from there. When a chimney or vent from a stove or fireplace is without a spark arrester, we know a fire can start from that source. It is wise and profitable to be sure that your property is protected from these hazards by conducting your own investigation.

Firemen are at work preparing for the forthcoming event of the year. Tickets have been distributed. Some of the fellows are already visiting their neighbors to sell them their annual ticket to the only affair for which the firemen canvass the town. The big DANCE and CARD PARTY is the occasion in Sierra Madre where everyone joins in. It not only provides a charitable fund for the firemen, but it creates good feeling between the residents and the volunteers who form the fire department. It aids greatly in creating that interest that is so essential to any organization in order to keep it alive. To keep the fire department "Alive", loyal and efficient, the members MUST feel that they are recognized by the people they serve. Sierra Madre residents have always shown this respect and the men of the department fully appreciate it. This annual DANCE and CARD PARTY has always proven the relationship between residents and firemen as the best. It makes us "FEEL GOOD."

There is absolutely no financial gain to the firemen's coffers from this event. All funds gained are placed in what we call our "Christmas Fund" and are used only for charitable purposes and the Children's Easter Party. Those who would otherwise go without a special Christmas dinner are supplied from this fund. We ask the support of the Community to help us build this fund to a size where we can do a lot of good. It's a lot of fun as long as we have the amiable co-operation of our people. Let's GO!

When Andy Liscombe comes from the northeast corner of Baldwin and Sierra Madre Blvd., and Bobby Clark comes from the southwest corner of the same intersection as the first blast of the fire horn sounds, it reminds one of the old races between "Shorty" Lovell and "Shorty" Steinberger. The sound of the horn does things to a fireman's feet and to watch Andy (Curly) fleet-foot it to the station makes one believe that there might be something to the story about life begins at sixty-six. Altho' much younger, Bobby is unable to overtake our famous "Gump." (They know how to open the doors now, I think.) Another spot that displays a great deal of speed when the horn sounds is the Hawks Shop on Montecito. Having seven or eight firemen there waiting the alarm, a car is conveniently parked so that this group can hop in while Charlie Brown gets it going. Machines await their return. If it takes hours to fight a fire, these men remain to the finish. This is a great sacrifice on the part of this establishment and a great feeling to the residents to know so many men are available for fire fighting. If we had a better alarm system where the men could locate the fire from the phone, it would mean much to the safety of the town and less worry to the men. Something like this will develop, we hope. It once did until the dial phones came into use.

Most of us are acquainted with the causes of fires. Let's acquaint our neighbors with them. To stop a fire before it reaches the house next door is considered success by even professional fire departments. Whether you think your fire department is good or whether you think it is bad you should be fire conscious and do everything within your power to keep the FIRES OUT.

SPECIALISTS IN CHRYSLER PRODUCTS

Votea . . . MOST POPULAR MAN

If a vote were cast, or a Gallup poll taken, to determine the most popular man in the United States, the Telephone Installer would probably win hands down.

His popularity today is boundless, his ring of the doorbell like beautiful music, and his announcement, "I've come to put in your telephone," like the words of a song.

But the Telephone Installer is not only a man in demand, he is also a man in a hurry, who sometimes feels that catching up with the calls for his services is like running after one's hat. New applications come in just about as fast as he can take care of the old ones.

Our installers are moving ahead as rapidly as available facilities permit. They are putting in some 500 telephones per month over our system but there is still a vast amount of construction work to be done before all waiting applications can be filled . . . and so we ask for your continued patience a while longer.

NOVEMBER 27, 1927

Congregationalists voted to erect a new building at a cost of approximately \$65,000.

Church of the Ascension will present a Thanksgiving play, "The First Year," directed by Mrs. C. A. Allen. The cast—Mrs. Randolph Wood, Dave Buchan, Jack Sadler, Mrs. James Hawks, James Hawks, Rev. H. B. Moore, Mrs. Barstow, Bessy Glenn, Mr. Barstow, R. M. Finlayson.

City Council plans to extend and widen Central Avenue, east to Santa Anita Drive. Churchill Road may also be opened.

Drive on for 200 members to Chamber of Commerce, from 167 the past year. Credit is given to the Chamber for having advanced the town 100 per cent with new Post Office, etc. W. R. Humphries is president.

Dr. Brockway has completed a new Duplex at 383 W. Central.

O. E. S. elects Miss Eleanor Bayne, Worthy Matron and Harold F. Roberts, Worthy Patron. Other officers: Mrs. Agnes Tyree, Mrs. Riherd, Mrs. Lila Kendall, Mrs. Harriet Buckingham, Mrs. Leila Roberts.

Plans are being made for the erection of new Jewish community building.

During October 3639 books were loaned, according to Miss Moore, Librarian.

In spite of the \$21,900 new City Hall permit, building permits were down to \$23,118. Lower than the previous two months.

Mrs. F. A. Webb, 171 So. Baldwin, was struck over the head three times Saturday night. She thinks the man was after her rings. Her screams frightened him away.

Mrs. Corita Leiben, local artist will be presented in a song recital this evening. "To those who have not heard her will come a distant surprise," says the NEWS of that date, "upon the delivery of hitain etetaet notes." (Editor's Note: This is just the way it was printed).

NOVEMBER 27, 1937

Congregational young people win fight to hold dances in the church recreation hall. Rev. O. A. Pritchard announced in church Sunday, after a post card poll of members, the decision carrying by a 90 per cent majority.

C. M. Clark, pioneer settler and Sierra Madre's first storekeeper, celebrated his 89th birthday.

The Wistaria Association's prize one-act plays will be presented with Mrs. Cecily Allen as director. "Luz's Wonder" by Anne Walter will have the cast: A. E. Barrett, Hazel James Ferguson and Roger Armstrong; "Just Beyond" by Robert Clark and Harold Gaze, will be played by Mr. and Mrs. Barrett, David Buchan, Mrs. Julia Shannon, Edna Green, Irving Ingram, George Tyree, Bob Hansen and Cynthia Hull. "Almost Mrs. Simpson's" by Mrs. Allen, will be given by Mrs. Janet Stevenson Wood, Marianne Dailey, Allen Wood, Edwin Ward and Dave Buchan.

Players in the hilarious musical comedy presented by the PTA were Eddie Ranahan, Geraldine Lloyd, Henry Shippey, Luella Vincenti, Betty Flint, Jack Buchan, Clarence Noshier, Pay Hudson, Margaret Evans, Ruth Fassett, Craig McLaughlin, Philip Lentz. Madame de Beaulieu presented a group of her dancing pupils. Rosemary Peake, Gloria Dougherty, Frances Robertson, Marilyn Pian and Bob Fletcher. Music and prologue were presented by the orchestra, Mrs. Leila Embree, Daphne and Dorothy Alley, Harry Eison and Hal Miller.

Carl Hansen of Pasadena has purchased the interest of Frank Lovell in the Sierra Madre Garage and took over Monday. Open house is planned for the showing of the new Ford expected soon. Mr. and Mrs. Hansen and small son will reside in Sierra Madre.

port on Recreation doings in town. The attendance at the Youth Hut showed an increase of 134 over last month, and it was pointed out the interest of the various groups in keeping the hut in good condition.

City Park House attendance on Monday and Wednesday evenings increased 93. Friday night dances have been especially popular and despite other attractions on that night, 172 teen-agers showed up for the weekly dancing.

♦ Mrs. M. L. Foxton of St. Catherine's, Ontario is visiting the Al Foxton's of 81 N. Auburn for the winter.

KINDERGARTEN'S MORNING SECTION ENJOYS PARTY

Wednesday morning Kindergarten section experienced their second party of the year. Mrs. Stanley Coutant assisted by mothers, Walls, D'Woretsky, Dowty, McDonald and Bennet gave the tiny school members their first Thanksgiving party—turkey cookies and special decorations with their regular milk time lunch. Mrs. Kenneth Carlson is room mother.
